Green Acres Wine List

Green Acres is built upon land developed in the 1840s by Agoston Haraszthy, a Hungarian immigrant born into nobility and known as The Count. He is often credited as the Father of California Wine and was instrumental in the growth of winemaking in the United States. That journey began here, along the Wisconsin River.

Count Haraszthy and his family had knowledge of winemaking from their native Hungary. When he arrived in this part of Wisconsin he immediately recognized its potential for growing grapes. Time proved him right. Grape vines and winemaking thrive here, and it is now a designated American Viticultural Area wine region named Lake Wisconsin AVA.

The Count settled with his family, developing Haraszthytown now known as Sauk City. He established a ferry crossing, riverboat, brick yard and experimented with grapevines. In 1849 he left Wisconsin to head west. The land he chose along the Wisconsin River for winemaking was acquired by Peter Kehl, a fourth generation German winemaker who built a winery in the 1850s. In 1972 the Wollersheim family resurrected the winemaking tradition with great success.

After leaving Sauk Prairie, Haraszthy traveled to California and became the first sheriff and mayor of San Diego. Throughout his travels he continued to seek the best land for growing grapes and headed north to what is now Sonoma and Napa. In 1861 he was appointed by the Governor of California to be Commissioner on the Culture of the Grapevine. He embarked on a journey through Europe, researching and collecting over a thousand vine cuttings, sending them to California and meticulously recording the many trials and errors of growing grapes on his own Sonoma vineyard.

*Our wine list is designed for you to explore and enjoy.
With over 40 wines by the glass and 120 bottle selections,
you are sure to discover wines to suit your spirit, including...*

Locally produced Wollersheim wines of the Lake Wisconsin AVA.

Exceptional wines from California, Oregon and the west coast,
including the Sonoma, California winery founded by Agoston Haraszthy: Buena Vista Winery.

Carefully selected European wines that follow the Count's journey through
Italy, Germany, France and Spain, as well as a classic
Hungarian wine that sparked a noble pioneer's love of wine.

*"When our eyes beheld the panorama spread out before us,
a veritable masterpiece of nature,
all three of us exclaimed in unison,
'Oh how magnificent.'
I was firmly convinced that nowhere in the world
could there be a more enchanting place."*

— Agoston Haraszthy
